The City Council has elected Mr. T. Jackson McDowell as a member of the regular police force of this city. He takes the place of Mr. C. A. Goro, who has served for many years as an officer, but is now disqualified by physical inability to perform his duties, and has been retained on light service at \$25 per month.

The Council ordered its Committee on Light to bring in plans and specifications, with estimates of cost, for an entirely new gas plant for the city.

The following committee was appointed to act in connection with a committee of the Business Men's Association, to invite President Roosevelt to visit Fredericksburg when he passes here on his extended trip to the South some time during the spring of summer. Henry D. W. Wallace, president; Mrs. J. M. Wallace, vice-president; Miss Mollie Mander, secretary, and Miss Kate Mander, treasurer.

The arbitrators selected to settle the case between T. W. Berry and R. E. Mounloy, both of Stafford, which had been pending in the courts for months, have ascertained the amount due by T. W. Berry as treasurer of the trustees, Messrs. Berry, Moore, Payne and Powers, to R. E. Mounloy, to be \$100. All of the costs in the litigation are to be equally divided between the litigants. This settlement will be accepted in lieu of the decision by the court.

A conference of all the managers and owners of Excelsior Mills, between Potomac and Washington, Blackstone and Urbanna, was held here this week, having for its object the advancement of the sale of excelsior manufactured by these mills and the establishment of a uniform price. The meeting was purely business, and a general exchange of opinions, and it is understood that a satisfactory plan was agreed upon.

**NURSES' HOME.**  
The new Home for Nurses, an addition to the Mary Washington Hospital, has been formally opened. The building was a gift of the Daughters of the Confederacy, of Philadelphia. Many handsome donations for furnishing the new addition have been received by the ladies in charge.

A musical recital was given last night at the hall of Fredericksburg College by the students of the music department of this institution, and an immense audience filled the spacious hall until there was only standing room left. The entertainment was a most interesting one, and was enjoyed by all present. All of the pupils showed marked progress in their work. Those taking part were Misses Annie Fulton, Reba Epps, Mary Lowery, Katherine Waulchope, Lucy H. Sanford, May Fulton, Mattie Tansill, Louise Woodbridge, Mattie Miller, Susie Rawlings, Bessie Belle Gannon, Katherine Dabney, Bessie Walker, Annie Latimer, Isabelle Dabney, Louise Somerville, Mattie Cox, Amelia Woods and Willie Lowery.

Mrs. A. P. Thornton entertained her friends at progressive euchre at her home yesterday afternoon, from 4 to 6. The first prize was won by Mrs. M. T. Church; the second by Miss Mamie Shepherd; the trophy by Miss Virginia B. Carmichael. Refreshments were served.

**State League Games.**  
The Virginia State Bowling League opened its season at the Crystal Alley Monday night, and the teams played some warm and exciting games, and showed a wonderful improvement over last season. There were a number of high scores in both ten and duck

## MURRAY GUILTY OF MANSLAUGHTER

Jury Returns This Verdict After Being Out for Nearly Twenty-four Hours.

## THE END OF A LONG TRIAL

Defendant Shows Nervousness When Finding Is Read—Appeal to be Taken.

(Special to The Times-Dispatch.)  
DURHAM, N. C., Jan. 21.—The jury in the case of Robert Murray, who, in November last, killed his uncle, J. S. Murray, returned a verdict of manslaughter this afternoon, after having had the case since yesterday at 11:4 o'clock. A messenger was dispatched to the hotel for the judge, and runners sent out to notify the attorneys in the case. It did not take long for all of the parties to get to the courthouse.

Judge Peebles asked the officer in charge to bring in the jury. The names of all the jurors were called and each one answered. They were asked if they had arrived at a verdict and said they had. J. B. Walker spoke for the jury, and when asked what was their verdict, said: "Guilty of manslaughter and prays the mercy of the court."

When the verdict was announced the prisoner for the first time during the long trial appeared nervous. He stood with uplifted hand and heard the jury return the verdict, which, it is believed, he will have to serve two years on the county roads at hard labor.

The attorneys for the defendant at once gave notice of an appeal, and the bond for Murray's appearance was fixed at \$2,500.

## CHARGES AGAINST LANE.

Admits Guilt and May Go to the Penitentiary for Life.

(Special to The Times-Dispatch.)  
NEWPORT NEWS, Va., Jan. 21.—The old white man, who has served two terms in the penitentiary and one term in the Richmond Jail, was arrested here today on two grand larceny charges. The man admits his guilt, and it is believed he will have to serve two years on the county roads at hard labor.

The armored cruiser Maryland left today for Boston, and will give her official acceptance trial over the Cape Ann coast.

## DIED ALONE.

Body of Jeff Hall Found in Bed. His Private Papers Scattered.

(Special to The Times-Dispatch.)  
LOUISA, Va., Jan. 21.—Mr. Jeff Hall, of near Bristow, this county, was found dead in his bed yesterday morning. He had lived by himself for a long time. It is not known what was the cause of his death. Private papers and letters were scattered over the floor. He was supposed to be about seventy-five years old.

## ASK FOR THE BIDS.

Executive Committee Prepares for New State Heating Plant.

The Executive Committee of the Capitol Building Commission, composed of Governor Montague, Senator Anderson and Hon. S. L. Kelley, met yesterday and decided to ask that the architects submit plans for the proposed new heating plant, which will furnish heat and power for all the State buildings. The Legislature appropriated \$50,000 for the plant, and it will be located somewhere on the Capitol Square.

The commission will hold a full meeting to consider the plans when they are ready, and then the contract will be awarded.

The Executive Committee went over the Capitol building with the contractor yesterday and allowed some slight modifications in certain material to be used, but they are not of public moment.

## MR. ELLERSON PROMOTED

Is Made General Agent for Life Insurance Company of Virginia.

The Life Insurance Company of Virginia has appointed Mr. H. W. Ellerston, of this city, general agent for Virginia and the District of Columbia. Mr. Ellerston will deal with the ordinary life policies of the company exclusively and appoint agents throughout his territory. He is one of the most generally known and personally popular of Richmond's young business men, having for a number of years represented the well known firm of Kingan and Company, and has a large acquaintance throughout the territory in which he will operate. His father, the late Joe Ellerston, was for many years

and up to the time of his death the representative of the Equitable Life Insurance Company of New York, in this section.

The Life Insurance Company of Virginia, as has been stated in The Times-Dispatch recently, intends to make a special effort in 1935 to further develop its ordinary life branch, and will write policies ranging from \$25,000 down.

**MARRIAGE OF KITTY.**  
Excellent Little Comedy Greatly Enjoyed by Academy Audiences.

"The Marriage of Kitty," for the second time this season, was produced at the Academy, there being two performances of that delightful little comedy at that playhouse yesterday. The piece was first produced here last October, when Bettina Girard appeared in the role of Katherine Silverton. The work of that actress, whose sudden death some days ago was such a shock to the theatrical and social world, is still so fresh in the memory of Richmond theatre-goers that it rather jars upon one to witness the impersonation of the role by another woman. It recalls too keenly thoughts of the dead actress, especially in this city, where she was born, and was so well known. Every line spoken by Miss Della Niven, who played the part of Kitty yesterday, recalled just the manner in which the same speech was made by Bettina Girard, whose work surpassed that of the actress who is now cast in the role.

The company, with the exception of Miss Niven, is the same that appeared here earlier in the season. Max Pigman, as Mr. Reginald, again scored with the audience.

## FOR MARTIN AND MASSIE.

Mr. Charles F. Button Says They Will Win in a Walk.

Mr. Charles F. Button, of Appomattox, a brother of Colonel Joseph Button, a farmer and cattle breeder of his section, is in the city, and he like his brother, is an ardent supporter of Senator Martin for re-election.

Mr. Button said last night that he was sure the Piedmont counties would stand by the junior senator, and he went so far as to express the belief that no man in the State can defeat him.

He also asserted that Senator Bland Massie would defeat Mr. Strode for the State Senate in Amherst and Nelson, though he thought the latter a rather strong man.

Apparently nearly all those who speak for Senator Martin from that section are opposed to Mr. Strode.

## Senator Bryant Out of Politics.

When asked by a representative of the Times-Dispatch if he had decided not to stand for re-election to the Senate, Senator Julian Bryant said he had not yet decided. He stated, without any sort of reservation, before the General Assembly adjourned, that he had no intention of running for re-election.

He also asserted that Senator Bland Massie would defeat Mr. Strode for the State Senate in Amherst and Nelson, though he thought the latter a rather strong man.

## MAYOR MCCARTHY'S VIGOROUS STAND

Instructs Chief of Police That Theatres Must Admit Officers on Duty.

As a result of the receipt of a written report from Captain W. B. Whitlock, of the First Police District, that he was refused admission to the performance at the Academy of Music on Friday night, Mayor McCarthy yesterday issued a letter to Chief Hulse instructing him that hereafter any refusal on the part of the officers of the police to admit officers of the police to the theatre, will be considered resistance to the police authority, and will subject the offending employee to immediate arrest and conveyance to the station house.

The letter of His Honor, the mayor, adds new interest to the controversy in progress between the theatrical houses and the municipal authorities in regard to the question of allowing persons to stand during performances.

The situation has become a most interesting one, and the theatre proprietors take the ground that if patrons of the houses are not allowed to stand, the same rule should apply to policemen.

**Dr. John Wiley Young.**  
The funeral of Dr. John W. Young took place from the residence of Mrs. Valden, No. 618 East Franklin Street, yesterday afternoon at 4 o'clock.
